Collocazione	2B V 45
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Bibliography, p. [301]-315
Nota formattata di	Analytic theology can flourish in the secular academy, and flourish as authentically Christian theology. Analytic Theology and the Academic Study of Religion explains analytic theology to other theologians and scholars of religion, while simultaneously explaining those other fields to analytic theologians. William Wood defends analytic theology from some common criticisms, but also argues that analytic theologians have much to learn from other forms of inquiry. Analytic theology is a legitimate form of theology, and a legitimate form of academic inquiry, and it can be a valuable conversation partner within the wider religious studies academy. Analytic Theology and the Academic Study of Religion articulates an attractive vision of analytic theology, fosters a more fruitful inter-disciplinary conversation, and enables scholars across the religious studies academy to understand one another better.
